FIVE GUYS
Jen KIM,
Finance Manager

"Automating our invoice process with Yooz is guaranteeing total security and traceability of daily operations on all our UK and Spain restaurants."

GSC GRAYS
PROPERTY · ESTATES · LAND
Jerry MCGILL,
Operations Director

"With Yooz, the invoices are attached to the email and registered immediately and automatically. This, along with the traceability, audit trail, accurate data and access to the invoice image in Sage, add up to significant time and operational benefits for the business."

ManoMano
Anaïs Renaudeau,
Senior Accountant Manager

"The Yooz solution has gone down very well with employees, who can now focus on tasks with higher added value. Its user-friendly interface, extremely high functional coverage, the tool's simplicity and the speed with which it can be implemented have been key factors in the success of this change."

alain ducasse
Frédéric RIVIERRE,
Administrative and Financial Director

"Having Yooz automate around 50,000 invoices on all of our operations annually, we now benefit from better traceability and reliability of our processes, proven accounting productivity gains and an instant view of expenditure across all of our sites."

Our business experience and value are unrivalled.
